Sir:

Please review and enter the following remarks summarizing the interview conducted on
August 20, 2009:

REMARKS

An Examiner's Interview Summary Record (PTO-413) was dated August 21, 2009.

Applicants thank the Examiner for the courtesy extended during the telephonic interview
of August 20, 2009, between the Examiner and Applicant's representative Ryan F. Heavener.

During the interview, the Examiner confirmed that the rejections under 35 U.S.C. §§ 112,
sixth paragraph, and 102(e) are the only outstanding rejections. Thus, the rejection under 35
U.S.C. § 101 has been withdrawn in view of the Amendment filed on July 21, 2009.

In addition, during the interview, the Examiner indicated that independent claims 1 and 12 could be amended to incorporate the features of claims 2 and 13, respectively, as one option for overcoming the above-identified rejections under 35 U.S.C. §§ 112 and 102.

It is respectfully submitted that the instant STATEMENT OF SUBSTANCE OF INTERVIEW complies with the requirements of 37 C.F.R. §§1.2 and 1.133 and MPEP §713.04.

It is believed that no petition or fee is required. However, if the USPTO deems otherwise, Applicant hereby petitions for any extension of time which may be required to maintain the pendency of this case, and any required fee, except for the Issue Fee, for such extension is to be charged to Deposit Account No. 19-4880.

Respectfully submitted,

/Ryan F. Heavener/
